

Elfin Forest Recreational Reserve Geocache Registration Form

Thank you for your interest in placing a geocache within Elfin Forest Recreational Reserve. Geocache Registration Forms are required for any geocaches in accordance with Olivenhain Municipal Water District's *Regulations for Recreational Facilities Operated by the District, Including Elfin Forest Recreational Reserve*. This form must be filled out in its entirety and submitted to OMWD for approval. Your placement of a geocache within EFRR is approved only when this form has been signed by the appropriate OMWD representative.

Applicant Information (Geocache Owner)

Name/Organization

Phone Number

Address

Email Address

City, State, ZIP

Geocache Information

Geocache Name (label container and attach photo)

Geocache GPS Coordinates (degrees, minutes, seconds)

Web Posting Location

Description of Location (attach photo)
